RAMADAN MOON

(Words & melody by Yusuf Islam)

Oh the people are coming and going;
getting ready, to-ing and fro-ing
There's a buzz in the world tonight;
people are so excited
Daddy's coming home soon;
hoping to see the moon
Hoping to catch a sight;
everyone's so happy

Moon, Moon, come out soon
We're out to see the Ramadan Moon
Clouds shift; fog lift!
City put out your lights
We want to see the
Ramadan Moon - tonight!

Now Ramadan has started;
and the Moon has just been sighted
Tomorrow we all fast -
every Muslim must
Now 'Esha time is here;
and it's time to leave for prayer
The Imam is in the Mosque;
the Qur'an is in his heart

Moon, moon...
From the early break of dawn,
we'll go the whole day long
Shops are full of dates
but still we have to wait

Till the sun goes down,
and it's time to break our siyyam,
The food is on the plate
ooh! It tastes so good!

Moon, moon...
Now Granddad's in I'tikaf;
only ten days are left
He's praying every night; dressed all in white
Hands held high; with tears in his eye
Asking for forgiveness; and Paradise

Moon, Moon...
Now its time again for 'Eid;
Ramadan ran with speed
Will it come again?
Like an old friend?
Ramadan Moon

EL-'EID

(Traditional Nasheed)

Ilā 'eid ilā 'eid ahu jānā
Ya farhīnā ya hanānā
Ilā 'eid ilā 'eid ahu jānā
Ya farhīnā ya hanānā

Ilā 'eid, ilā 'eid, ilā 'eid, ilā 'eid...
Ilā 'eid ahu jānā

UPSY DAISY

(Words & melody by Jawaad Abdur Rahman)

Upsy daisy now don't be lazy
it's time to go to the masjid
Wash your face up let's pick the pace up
It's time to go to the masjid
Help your mother to get your brother
it's time to go to the masjid
It's a wonderful place to go as a family
We'll be standing all together in prayer
We'll meet all our friends when we are there

So upsy daisy now don't be lazy
it's time to go to the masjid
We'll greet everyone with salam,
when we're at the masjid
Listen carefully to the Imam
when we're at the masjid
It's a wonderful place to go
made for you and me
We'll be standing
all together in prayer
We'll meet all our friends
when we are there

So upsy daisy now don't be lazy
it's time to go to the masjid
First we'll sit and read Qur'an
when we're at the masjid
Next we'll pray with everyone
when we're at the masjid
It's a wonderful place to go
a wonderful place to be

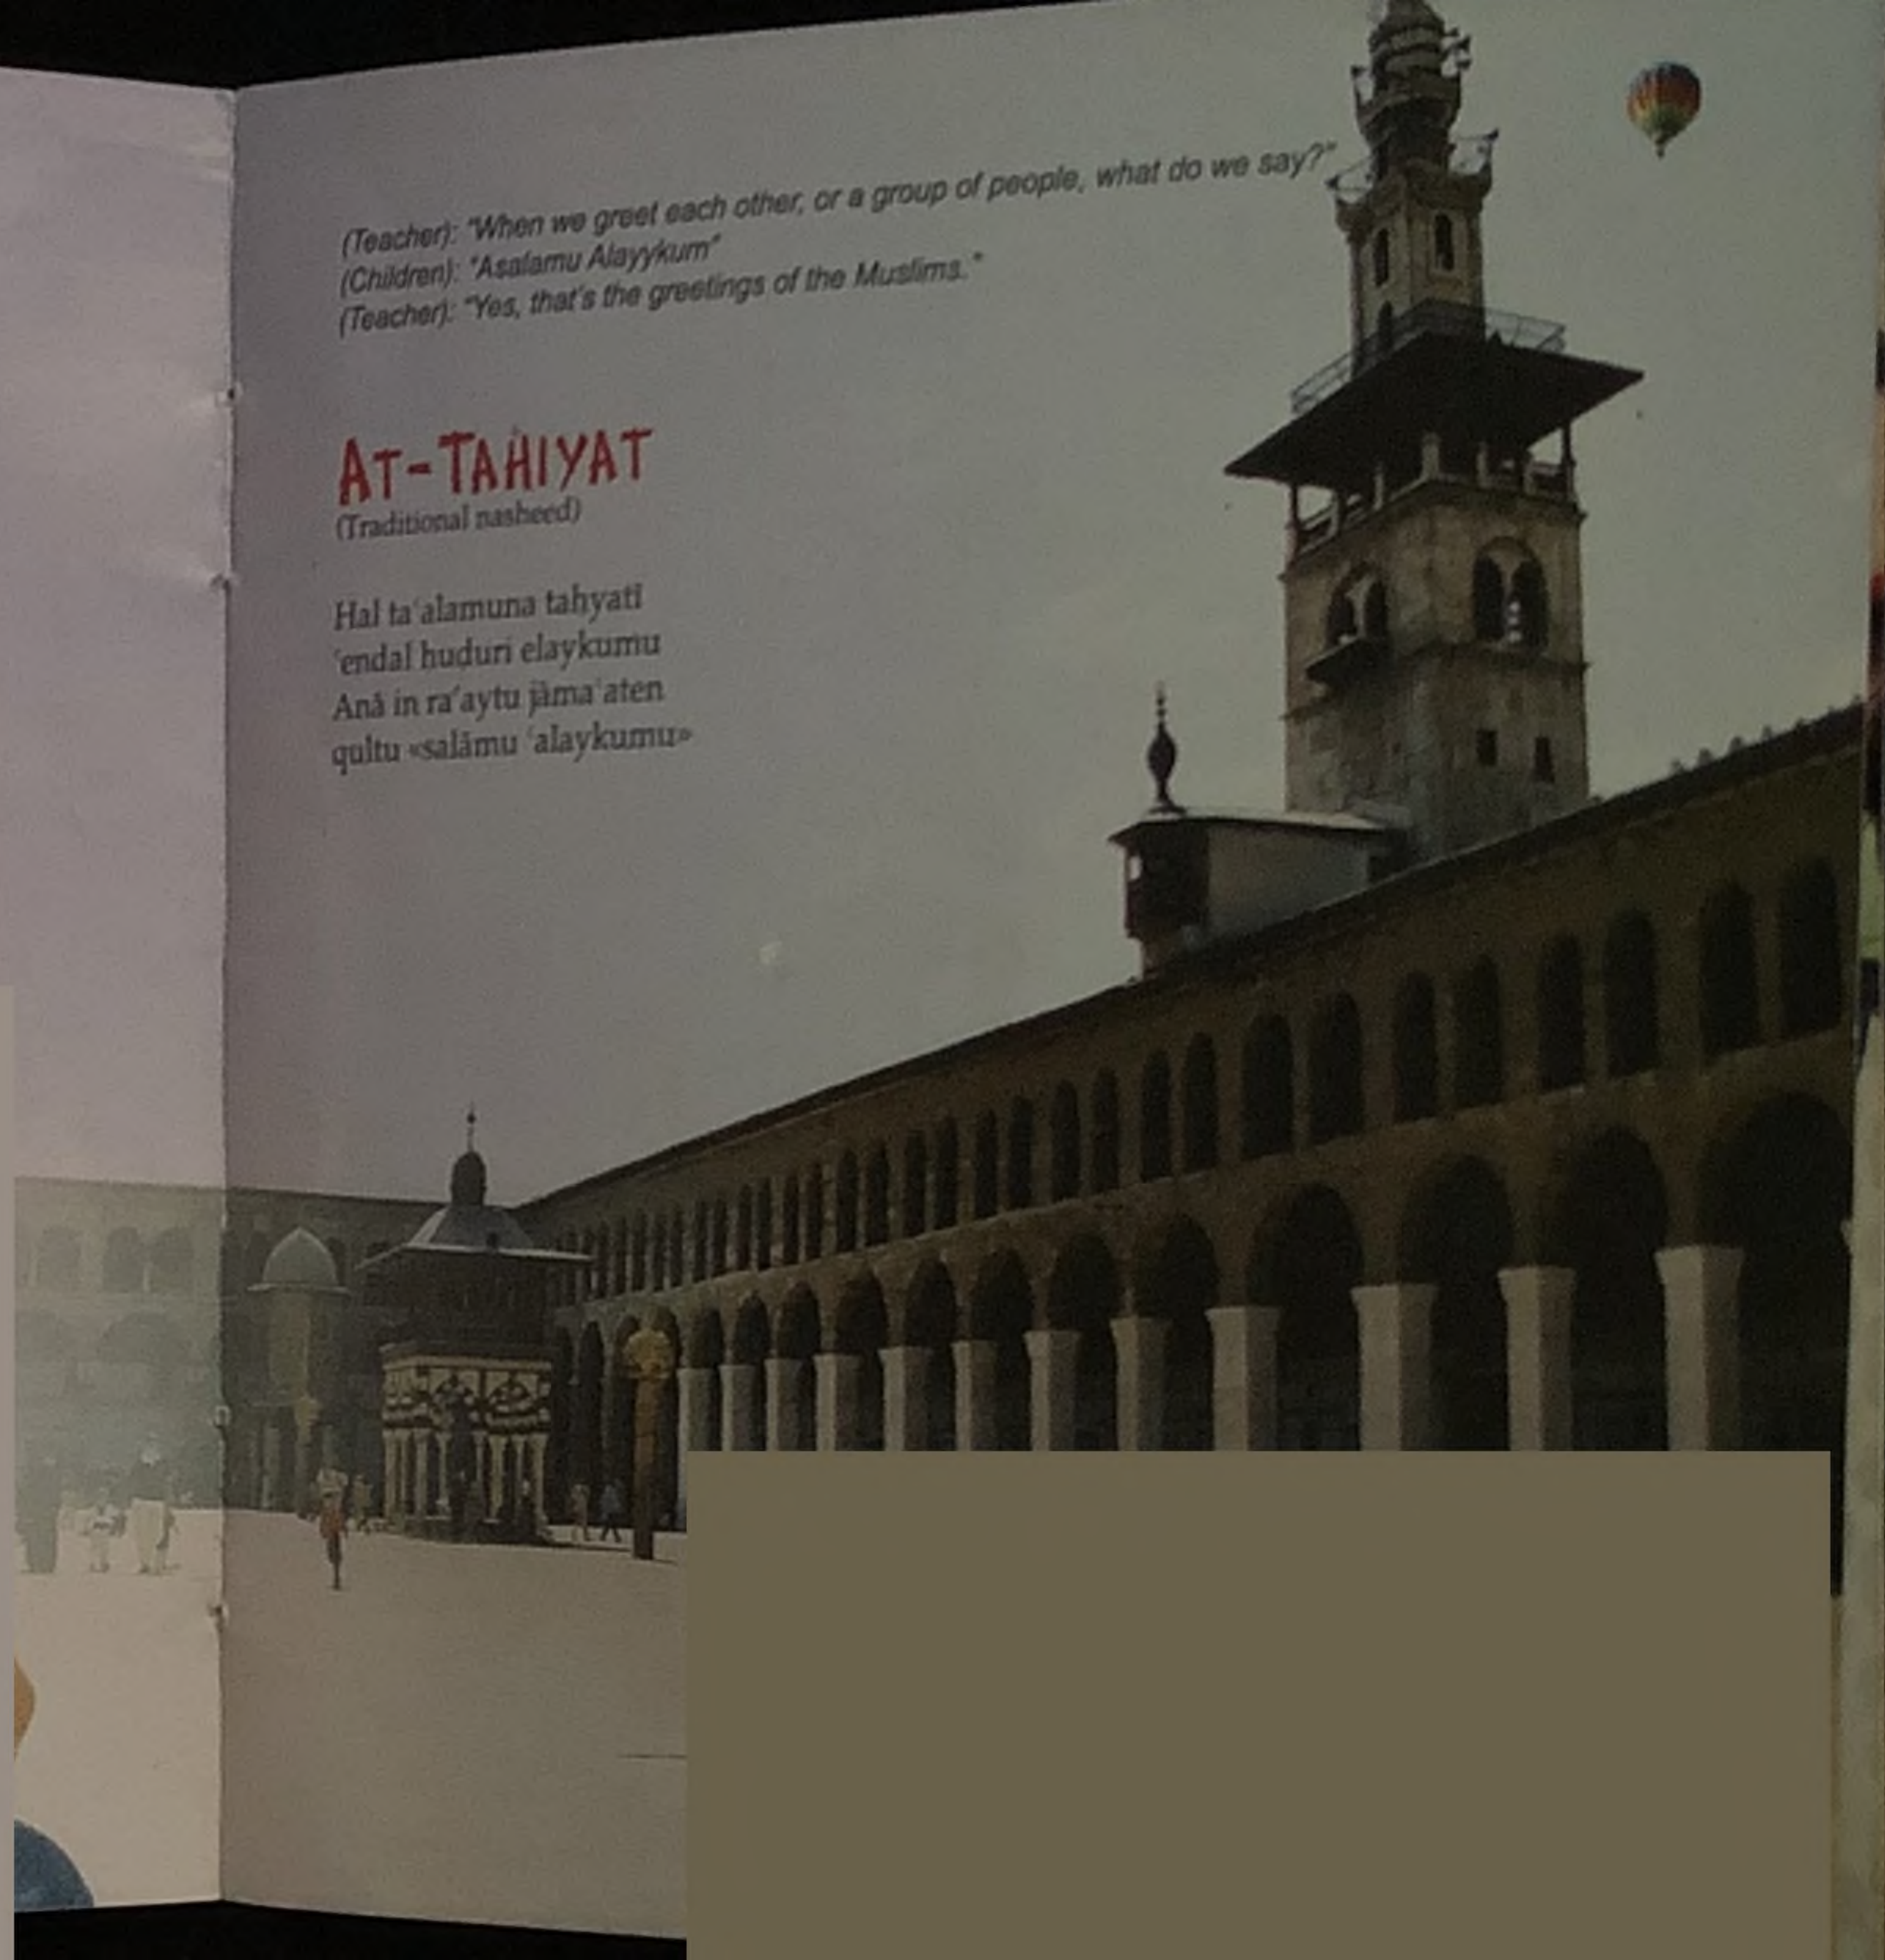

We'll be standing
all together in prayer
We'll meet all our friends
when we are there

(Teacher): "When we greet each other, or a group of people, what do we say?"
(Children): "Asalamu Alayyikum"
(Teacher): "Yes, that's the greetings of the Muslims."

AT-TAHİYAT

(Traditional nasheed)

Hal ta'alamuna tahyati
'endal huduri elaykumu
Anā in ra'aytu jāma'aten
qultu «salāmu 'alaykumu»

SHAYTAN

(Words & melody by Noor Saadeh)

Don't listen to the Shaitan, he'll never be your friend
Just read Qur'an, pray to Allah, on that you can depend
And if he whispers something that's bad to do or say
Just say these words «A'uthu billah» and he will run away
The Shaitan, he'll never be your friend

The Shaitan's like a stranger, at first he may seem nice
His talk is sweet, he offers treats, but you must first think twice
He'll whispers something softly; «Don't mind your mom and dad»
But you must know, this is not so, all muslims think it's bad
The Shaitan, he'll never be your friend

Don't listen to the Shaitan, he'll never be your friend
Just read Quran, pray to Allah, on that you can depend
And if he whispers something that's bad to do or say
Just say these words «A'uthu billah» and he will run away
The Shaitan, he'll never be your friend

The Shaitan's very sneaky, you'll hardly know he's there
He's up and down, he's all around, all Muslims must beware
He'll whispers something softly; «Don't read Qur'an or pray»
Just say these words «A'uthu billah» and he will run away
The Shaitan, he'll never be your friend
The Shaitan, he'll never be your friend

(Teacher): "Now we don't follow Shaitan do we?"

(Children): "No"

(Teacher): "Then who do we follow?"

(Children): "The Prophets"

(Teacher): "That's right! And all of the Prophets were brothers"

Beware!

ALL OF THE PROPHETS

(Words & melody by Yusuf Islam)

La ilāha illa-llāh, La ilāha illa-llāh
All The Prophets Were Brothers;
their mothers were different
But their faith was the same as each other's
All of them said: La ilāha illa-llāh, La ilāha illa-llāh

All of the people are part of one family;
every man and woman Belonging to humanity
Everybody knows: La ilāha illa-llāh,
La ilāha illa-llāh

All the Religions taught how to love each other;
but some people changed and started fighting other
Then they forgot: La ilāha illa-llāh, La ilāha illa-llāh

So God raised Prophets to guide people back;
to follow His Laws, That's the Straight Path
All of them said: La ilāha illa-llāh,
La ilāha illa-llāh

Adam (Adam), Idris (Enoch), Nuh (Noah), Hud (Hud), Salih (Salih), Ibrahim (Abraham),
Isma'eil (Ishmael), Is-haac (Isaac), Lut (Lot), Ya'qub (Jacob), Yusuf (Joseph), Shu'ayb (Shuayb),
Ayyub (Job), Musa (Moses), Haroon (Aaron), Dhul-Kifl (Ezekiel), Dawud (David),
Sulaiman (Solomon), Ilyas (Ilyas), Al-Yasa' (Elisha), Yunus (Jonah), Zakariyyah (Zechariah),
Yahya (John), Isa (Jesus), Muhammad (Muhammad)

All of the Prophets Were Brothers; their mothers were different
But their faith was the same as each other's
La ilāha illa-llāh, La ilāha illa-llāh - No God but One God

(Teacher): "Now the number five is very important in Islam, can you tell me why? Do you think you could?"

(Child): "There are five pillars in Islam"

(Teacher): "And... Amina?"

(Amina): "Because there are five daily prayers"

(Teacher): "Well done"

ARKAN AL-ISLAM

(Traditional nasheed)

Allāhu Rabbī, wal Islāmu deenī

Salātī tanhānī, 'an kullī mā yu'thīnī
Wāl birru wāl tāqwa, bil ṣawmī ya'tīnī

Wāl-hajju wāl-ihrām,

HEART OF A MUSLIM

(Words & melody by Jawaad Abdur Rahman)

Looking up at the sky,
searching for Allah most High
He rejected the way of
worshipping gods of clay
Prophet Ibrahim knew that Allah was near
And that the heart of a Muslim is sincere

Under the hot burning sun,
he declared God is One
Though with stones on his chest,
His imān would not rest
The Mu'adhin knew that right would conquer wrong
And the heart of a Muslim must be strong

It's the heart of a Muslim through
the guidance of Islam
That makes you fair and kind and
helpful to your fellow man
So living as a Muslim means that
you must play a part
Allah looks not at how you look
but what is in your heart

In our poor meager state,
little food on our plate
Mother said she was glad
a'ways sharing what we had
When I asked how can we share
what's not enough?
She said the heart of a Muslim's
filled with love

He said it's time you should know
you will learn as you grow
That some people around
will do what's bad to bring you down
Father said to be a star that's shining bright
For the heart of a Muslim does what's right

It's the heart of a Muslim through
the guidance of Islam
That makes you fair and kind and
helpful to your fellow man

So living as a Muslim means that
you must play a part
Allah looks not at how you look
but what is in your heart

So whatever you do,
make sure your words are true
Honesty is the best, because life is a test
Even if it hurts so much you want to cry
For the heart of a Muslim does not lie
The heart of a Muslim is filled with love

So living as a Muslim means that
you must play a part
Allah looks not at how you look
but what is in your heart

(Teacher): "The sun is a gift from Allah, but at night, Allah has sent us something to give us light. What is it?"
(Children): "The Moon"
(Teacher): "Yes, and the Prophet Muhammed (salla Allah alayhi wasallam) was like the moon, sent to light up the darkness of the whole world."

SILENT SUNLIGHT

(Words & melody by Cat Stevens)

La ilāha illa-llāh
La ilāha illa-llāh

Silent sunlight welcome in,
There is work I must now begin.
All my dreams have blown away,
And the children wait to play.
They'll soon remember,
Things to do when the heart is young,
And the night is done,
And the sky is blue.

Morning songbird sing away,
Learn the tune to another day.
Bring your wings and
choose a groove,

Sing a song of love and truth.
We'll soon remember if you do,
When all things were tall,
And our friends were small,
And the world was new.

Sleepy horses heave away,
Put your backs to the golden hay.
Don't ever look behind
at the work you've done,
For your work has just begun.
They'll be the evening in the end,
But till that time arrives,
You can rest your eyes
and begin again.

La ilāha illa-llāh
Silent sunlight
La ilāha illa-llāh
Morning songbird
Silent sunlight
welcome in

Coming with a message to be obeyed
You have brought to this city nobleness
Welcome best caller to God's way
